

## Mashed Potatoes

2-5 pounds potatoes

Butter

Milk

Salt Pepper

Peel potatoes and cut to fairly uniform pieces. Cook in salted water until done. To determine doneness pierce with a fork - if the fork slides into the potato easily it is done. Drain well.

Pour potatoes into a large bowl and add butter and milk and mix with an electric mixer or mash with a potato masher until the potatoes have the consistency desired. Finish with a little salt and pepper to taste.

## Turkey Gravy

For every 2 tablespoons drippings, stir in 2 tablespoons all-purpose flour and 1 cup turkey broth; cook and stir until smooth and thick.
